SUMMARY

Software Engineer turned Data Analyst. Stack: Python, SQL, pandas, scikit-learn, Power BI, LangChain, LangGraph, Django. At Aptsol Global Tech (Apr–Oct 2024) authored 10,000+ lines of Python/SQL code and improved system performance 30% by profiling and query tuning. Built a multi-doc RAG (hybrid retrieval Hit@8 77.3% on a 24-question gold set) and a LangGraph CSV analyst (19/19 pandas gold checks). MTech CSE, Osmania University. Interviewing for Data Analyst, Junior Data Scientist, and GenAI / LLM application roles. Open to remote and relocation.

EXPERIENCE

Software Engineer

Apr 2024 – Oct 2024

Aptsol Global Tech Pvt Ltd · Hyderabad, India

- Authored and maintained 10,000+ lines of production code across Python, SQL, HTML5, and CSS/Bootstrap, emphasising modularity across client projects.
- Achieved 99% on-time project delivery by tightening the development pipeline and working agile with a 5-person engineering team.
- Improved system performance by 30% by profiling Python codebases and tuning SQL queries, cutting page-load time.

Data Engineer Trainee

Nov 2023 · 4 weeks

MedTourEasy · Remote

- Cleaned and queried healthcare and chemical-component tables under a project mentor; delivered Analysis of Chemical Components (SQL + pandas).
- Earned traineeship completion certificate, letter of recommendation, and letter of appreciation from the Training Head.

Data Analytics Trainee

Jul 2023 – Sep 2023

Trainity · Remote

- Python, SQL (MySQL Workbench), Power BI, and EDA across 5+ datasets including Instagram users and Play Store apps.
- Capstone: Playstore Apps Analysis and Visualization — category installs and review sentiment.

SELECTED PROJECTS

- RAG Document Q&A — Hybrid BM25 + MiniLM retrieval, OCR fallback, citations. Hit@8 77.3% (17/22 in-scope) vs cosine 59.1%. Live demo. LangChain, Chroma, Groq, Streamlit.
- CSV Insights Assistant — LangGraph router over any CSV; pandas + DuckDB SQL; Plotly charts. Hotel sample 87,230 rows; pandas gold 19/19; 42 tests.
- Hotel booking cancellation — Random forest, temporal split (train 2015–16 / test 2017). Holdout ROC-AUC 0.815, accuracy 0.76. No reservation_status leak.
- Indian house prices — Gradient boosting on 29k listings; MAE Rs 12.1 lakh, R-squared 0.71. Streamlit form.

SKILLS

Python, SQL, pandas, NumPy, scikit-learn, Power BI, Excel, SQLite, matplotlib, seaborn, LangChain, LangGraph, Chroma, DuckDB, Groq, HuggingFace, Streamlit, FastAPI, Django, HTML, CSS, Bootstrap, JavaScript, Git, pytest, AWS

EDUCATION

MTech, Computer Science and Engineering — Osmania University · Sep 2019 – Sep 2022 · 7.81 CGPA

BE, Information Technology — Osmania University · Aug 2015 – May 2019 · 67%

CERTIFICATIONS

AWS Certified Machine Learning – Specialty (issued 2022); AWS Certified Cloud Practitioner; IBM Data Science (Coursera, Oct 2022); TensorFlow Developer Certificate (issued 2022); Accenture Data Analytics and Visualization (Forge, Dec 2022); PwC Power BI Virtual Experience (Forge, Nov 2022); HiCounselor Playstore Apps Analysis (Jan 2023); Gilbert Research Center DS/ML Internship Program (May–Jul 2023); Brainnest Data Analysis Industry Training (Jan 2023)
